Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Please allow them to build a mosque . Its best for us to pray at this mosque and my children benefit by learning arabic with them . For the muslim community this is going to be beneficial as we have no arabic classes around who accepts special children and this mosque does and help every child despite their disability to learn arabic and i would love them grow and support the community . Thank you

Kind regards
