Planning Statement

**Re: First floor extension and loft conversion
at 5 Brookside Road, Isted Rise, Kent, DA13 9JJ**

Dear Sir/Madam

Following the recent planning decision (ref 20220323) we would like to resubmit an amended proposal taking into account the planning officers' comments.

We would like to highlight the fact that there are a number of gable end conversions already on the street and in particular number 44 (ref 20210022) which has recently been granted planning approval for a very similar scheme.

Yours sincerely
For Kentec Draughting Services
