Reasons for comment:

Comments:	The land has been illegally occupied despite previous rejections of planning applications and failure to comply with enforcement notices. In doing so huge damage has been done to the trees in Whitepost Lane. The land is green belt and should not be developed in any way. If the application is granted it makes a mockery of the planning system and is a green light for anyone to do anything they want without going through the proper channels. Whitepost Lane is not suitable for a significant increase in traffic. I have already had to completely turn around due to lorries blocking the road. There has been a noticeable increase in the number of vans going up and down the lane which is often used by horse riders.
