Reasons for comment:

Comments:	I object strongly to this proposal on multiple grounds including the following: 1]. It is entirely out of character for this area. 2]. It will be a continuation of previous unlawful activity which contravened planning legislation, both prior to and subsequently. 3]. It will involve the continuation of the destruction of trees and vegetation including on adjoining private land owned by others for the purpose of gaining access. 4]. It will involve a significant increase in traffic on this quiet country lane, including, in all probability, large contractors vehicles used for commercial purposes. 5]. It is likely to result in the deposit deposit of rubbish and waste resulting from commercial activities and almost certainly in fumes from the burning of rubbish. 6]. As per the previous unlawful development of the site, it will not be a traveller or gypsy camp, but a permanent housing estate with paved roads and parking which will continue to be developed in an unlawful manner.
