Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This proposal would ruin the pleasant appearance and character of the 5 existing stand alone terrace homes and would greatly reduce the privacy of [REDACTED] neighbours and [REDACTED] garden areas. The proposed development would also greatly impact on the current parking situation outside the existing 5 terraces which is within 100 m of an accident black spot of the junction with Dennis and Ascot Road.

Kind regards
