Reasons for comment:

Comments:	As a DA12 resident, I support the retrospective application for No. 42. Many homes in this area, including nearby properties, have outbuildings with similar facilities such as showers, toilets, and small kitchen areas. This application is consistent with what is already common within the neighbourhood. The use of the building as a gym and office has not changed, and the family has made it clear that it will not be used for sleeping or independent living. [REDACTED], as they appear speculative and not based on planning grounds. The outbuilding does not harm the area or create any undue disturbance.
