Reasons for comment:	
Comments:	Dear whoever, Thank you for the letter informing me that part retrospective planning permission and permission for change of use of land etc. is being sought on land south of White Post Lane, Sole Street. I have to object because I, and other abide by the law by asking for planning permission before we do building, change of use of land etc, these people know the law and flout it. Also the lane is not wide enough to keep having mobile homes taken to the site, the result of which trees and other vegetation has been hacked in complete disregard as to who it belongs to. The land in question was green belt, but now they have tarmaced it over. again disregarding the law etc. More and more mobile homes are being added to the site and they don't care what the law says they have to do, they seem to be acting above the law!

Kind regards
