Reasons for comment:	
Comments:	<p>A children's home with multiple carers is not the same as a single based household as the covenant states should the purpose for this dwelling.</p> <p>A residential children's home is a non family based occupancy as there are multiple staff there day and night.</p> <p>This is an expensive road. Is this a good use of public money.</p> <p>Changing and overlapping shift pattern will create extra traffic on an already busy road (there is a large sevcondary school at the bottom of the road).</p> <p>Regular professional visits will create more traffic and this would be more people compared to a family home.</p> <p>Children's residential home is not a single household therefore the application must be refused as the change of use is unlawful.</p>

Kind regards
