Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I previously put in support accidentally as I was so stressed out i strongly object to this application and can you remove my previous response. We have lost enjoyment of our family home due to this illegal encampment with total disregard for law or feelings of the neighbours affected. The fact the council has even accepted a application is beyond belief, not in keeping with the surroundings and harming the environment in the process with illegal works.

Kind regards
