| Stance:              | Customer objects to the Planning Application                                                                                                                                                                                    |
| Reasons for comment: |                                                                                                                                                                                                                                 |
| Comments:            | An EIA is essential here and the fact they are saying one is unnecessary is a shambles. The impact this will have on the environment is unprecedented not to mention the strain it will put on an already overpopulated village |

Kind regards
