Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This is an absolute disgrace that this is even got this far. Meopham is part of the Kent Downs and therefore should be protected, not destroyed. If this goes ahead, the land will never be recoverable and what was once a great and pretty part of Kent will end up looking like everywhere else. No consideration has been given to the locals or the infrastructure. This will be opposed by the villagers at every step and I ask the council see sense and deny this application.

Kind regards
