Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this application, this will ruin our views, cut up our rural village setting. We do not have the infrastructure to cope with more people, it takes a month to get a doctors appointment, our small schools are full, our roads are too busy to cope. We have brown belt areas only a few miles away in Gravesend near to a brilliant rail service, multiple schools and health services. Better roads, shops and services. A senseless distraction of an amazing rural setting.

Kind regards
