Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	From the comments on Facebook, the people said they wanted a unit so they could make tea etc and sitting and toilet while they are down with their horses. This does not require a 2 bedroom mobile home with study etc. A mobile home is living accommodation. Which is no different to an other planning application for shorne and is not in keeping with the village. You don't need bedrooms to look after horses during the day.
