Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This is not acceptable, this will clearly be the start of dwelling in the land and most likely an extension to more caravans being sighted. This is not the correct way to increase the residency of the village and in ALL other locations where this type of development has been allowed there has been an increase in crime, ASB and other associated concerns.

Kind regards
