Reasons for comment:	
Comments:	Meopham is a village, it's the longest one in the uk and we are proud of that, we don't want Meopham to become a Town, we don't have enough Dr now to serve the people and the roads and parking. I moved from a town to get away from the traffic because of my health and just love the village how it is, plus that is green belt. I know that doesn't mean much these days but it does to the people who live here.

Kind regards
