Reasons for comment:

Comments: The HGVs are not suitable for the lanes, nash st, Nash bank, Down rd are far too small for 24/7 Lorrie's, especially of a night with no light. These roads lead into Istead Rise where there is a primary school, which is a road safety concern along with other car users not being able to pass a lorry as lanes are too narrow. The roads cannot with stand these types of Lorrie's and the amount being driven up and down 24/7.

Kind regards
