Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This proposal 20260207 should not be considered for the following reasons. The roads are already at maximum capacity and are soon to be brought into further chaos once the Thames Crossing gathers momentum. Norwood Lane is prone to flooding and the main sewer is unable to cope. Sewage and rainwater often surfaces at street level. This proposal will destroy the landscape and the beautiful walk across the field to Sole Street. Moreover there maybe several medieval underground excavations (dene holes) situated on this land and it would be totally unsafe for any building projects.

Kind regards
