Reasons for comment:

Comments: surely this ;and is green belt ans as such shouldn't be built upon.
The land currently separates meopham/Sole Street and once is has been built on, there will be no separation and the landscape and rural nature will be spoilt. The utilities, schools, NHS &GP services are already extremely overstretched and this development will severely add to this massive strain - which cannot be allowed.
The exsisting road network only just supports the current load. Any route diversion already causes massive bottlenecks, especially at critical times of the day. Adding any amount of traffic to the exsisting roads will be a horrendous decision.

Kind regards
