Reasons for comment:

Comments: Hello,

I am writing in support of the application for the McDonald's restaurant.

Reading some of the comments makes me think these NIMBYs have no control over their children. If they don't want their children eating fast food, perhaps be better parents and control your children. That's no reason to deny everyone else of a place to eat.

Also, the fact that it was a pub/restaurant before completely undermines their comments that it will increase traffic, do we think that there were no vehicles during the time it was a Beefeater. If you don't like the busy road, don't live there.

Finally, we need all these empty buildings occupied and generating income and creating jobs for Gravesend, approve the application!

Thanks

Kind regards
