Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I object to this planning application. As a resident of Meopham of 10 years, I have serious concerns about the impact this development will have on our community. The development will have a major impact on traffic and infrastructure in this rural beautiful area. Local services such as schools, GP surgeries, and public transport are already under strain. This development would exacerbate these issues without clear plans to improve infrastructure. It will be detrimental to the character of the area and there are also the environment and wildlife concerns.
