Reasons for comment:

Comments:	Please please don't approve this super large development. As a regular and frequent visitor to Istead Rise, the impact on the existing resources will be devastating and irreversible. When will you people realise that the current infrastructure will not support this development, the continued relentless urbanisation of green belt countryside is morally indefensible. How do you sleep at night? How can you possibly defend yet another brick in the wall of the short termist, destruction of our county and local area, shame on you.
