Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	My elderly relative lives [REDACTED] this illegal encampment and now refuses to leave home because of worry this development is not in keeping in with the character of the area, loss of privacy for existing residents, the design and appearance is not within keeping of existing properties. Constant light pollution as lights are left on all day and night. The biggest concern is GBC sit by and do absolutely nothing other than accept another application.

Kind regards
