Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to the planning application on the basis appearance not in keeping with existing properties and totally out of character of the area. This is a aspirational area and for a travellers site to be permitted on this area will be detrimental to Shorne why not on a field somewhere? I saw the human rights of the travellers being mentioned how about the residents do they have human rights? If it's a house I dont see a problem as it would be blend although the site is small but the extent of development is worrying and will set a precedent should this be allowed to go through. Good bye See ho i will no longer be attending your establishment till this is site is shut down.

Kind regards
