Reasons for comment:	
Comments:	I totally object to his application we cycle down this lane on the weekends the traffic is already hazardous with vehicles speeding through all we need now is more vehicles on this narrow strip. Totally out of character with the existing dwellings and not in keeping with the charming properties in shorne I keep hearing land adjacent to the See ho how about the direct neighbours never hear of them being affected or the likes of us who cycle through this area! Gravesham council get your act together and stop this now before everyone does a free for all and your planning department will be the laughing stock of the nation.

Kind regards
