Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I support this application following the approval of my driveway, which has vastly improved my living situation, as trying to park in the road I live in was becoming increasingly more difficult. As lovely as the grass verges are, in reality they constantly need cutting by us, the people who live in the road and they are left covered in dog excrement by some dog owners who don't feel they need to clean up after their animals. If we don't keep the verges cut weekly, we risk treading on this as we get out of our cars. Based on my neighbours back garden, I know a beautiful selection of plants will be planted within the driveway to maintain nature in the road.

Kind regards
