Reasons for comment:	
Comments:	I am highly disappointed with GBC even thinking about this planning application. The traffic congestion is already at breaking point in this area but tge added traffic, loud music from cars, rubbish and more importantly so close to a secondary school which I thought our government was highly opposed to - why encourage our young people to eat processed foods. We already have 2 McDonalds in the town why have a third? So sad to see right next door to a public play/park area. Who is clearing up the park when the bins are full up of McDonalds debris. I strongly oppose to this application

Kind regards
