New Road
Grays
Essex,
RM17 6SL**

TAKE NOTICE that the **GRAVESHAM BOROUGH COUNCIL**, the Local Planning Authority under the Town and Country Planning Acts, has **NO OBJECTION** for development of land situate

at **Land To The South Of
National Grids Electrical Sub-station For New Cable Tunnel
Fort Road
Tilbury
Essex**

and being **Thurrock Re-Consultation - Proposed construction a new cable tunnel beneath the River Thames between Tilbury and Gravesend to provide additional transmission capacity. Above-ground infrastructure in the form of a new Cable Sealing End compound and a new head house building along with associated electricity infrastructure, access, parking, boundary treatment and two overhead gantry structures for future overhead lines. Temporary compound for the duration of the project to provide parking, staff welfare facilities, delivery vehicle parking, and equipment and machinery storage, including boundary treatment and lighting.**

Referred to in your application dated 14 August 2024.

GRAVESHAM BOROUGH COUNCIL HOWEVER MAKES THE FOLLOWING COMMENTS:-

Gravesham Borough Council have their own planning application which they are currently considering (reference 20231313) which is for 'Proposed construction of a new cable tunnel beneath the River Thames between Gravesend and Tilbury to provide additional transmission capacity. Above-ground infrastructure in the form of a new Cable Sealing End compound and a new head house building along with associated electricity infrastructure, access, parking, boundary treatment and two overhead gantry structures for future overhead lines. Temporary compound for the duration of the project to provide parking, staff welfare facilities, delivery vehicle parking, and equipment and machinery storage, including boundary treatment and lighting.' As part of the re-consultations for this application Thurrock Council has been re-consulted.

All matters will therefore be considered by Gravesham Borough Council under that application which includes full documents and details of the works that are taking place in both Gravesend and Thurrock as well as under the River Thames. It is therefore considered that Thurrock's application should be considered by Thurrock Council against relevant local and national planning policy as appropriate and taking into account the responses received from consultees.

Dated this 7th day of October 2024

Address; Civic Centre
