Dated 12th April 2022

Dear Sirs

RE: Submission of retrospective planning application for the Stables at Stables Cottage, Hermitage Road, Higham, Kent ME3 7NE.

Please kindly see attached awaiting planning application for the extension of the Stables at Stables Cottage. The development is self-explanatory within the planning statement. I feel it is important to note that the Development (Buildings are completed and have been since March 2019 and is successfully full operational. The final part to be completed is the hardstanding which is imperative to have during the winter months for the safety of access for not just horse boxes, feed deliveries but for the general care for the horses and health and safety for example – Veterinary assistance, Farriers, Ambulance, fire engine etc.

If there is anything further that you require, please do not hesitate to contact me immediately.

Kind regards

Katie Roberts
