

1 : 50

Architectural elevation drawing of a two-story brick house. The house features a steep gable roof with a chimney on the left side. The main body of the house is constructed of brick, while the lower right section is finished with a light-colored render. The elevation includes several windows: a large bay window on the ground floor, a smaller window to its right, and a row of five windows on the first floor. A small porch or entrance is visible on the right side. The drawing is labeled with a scale of 1 : 50 and includes level markers for the First Floor (2689) and Ground Floor (0).
