Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	Having viewed the application and seen the damaged wall, I fully expect that the wall should be repaired to its original condition. However , the application only shows for the demolition of the wall, which if this is the case , I strongly object. As a listed building the wall should not be solely demolished but the failed section removed and rebuilt. The application is not clear as to whether there is intent to restore the wall. I can only assume there is no intent to restore, hence the objection.
