Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to the plans to build all these houses in Meopham . This will destroy the village not to mention strain the already poor roads , coupled with lack of water , insufficient Doctor space and above all the rural area. The farmland and green spaces are so important . Once gone it will be lost forever and become like all other places overcrowded and depressing .

Kind regards
