Sub: Conversion of the property into 2 x 1-bed and 1 x 2-bed residential flats

Dear Sir/Maam,

I have resubmitted the application for the conversion of the property into flats. Also, an air quality assessment and noise assessment has been submitted along with the application. Please note that the property was a funeral directors previously and the upper floor were used as flats.

I trust that the issue for the previous refusal has been addressed and this will enable validation and to grant permission for the proposal. If this is not the case, could you please let me know to enable further adjustments to be made.

Yours Sincerely,

Hanan
