Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: Hire an industrial unit. This is ridiculous. The roads and the area are not suitable for HGVs. This is a residential area. Residents should not be subjected to the dangers this sort of traffic could impose, nor to the inconvenience of noise particularly given the proposed volume / movement time of traffic. Vehicles having to reverse to get out of the way of oncoming HGVs on single track road is extremely hazardous.

Kind regards
