Dear Sirs

**Re: 96 Vigilant Way, Riverview Park, Gravesend, DA12 4PN.
Minor Amendment.
Side and first floor rear extension.**

Further to a discussion between Mr I Brown and the applicant, Mr H Poonian and to emails between Graham Dawes and Mr Brown the homeowner has been advised that he needs to submit a minor amendment application for changes to the previously approved side extension.

We were also advised to submit a normal householder application as this is at a slightly lower planning fee than a minor amendment application.

Yours faithfully

Jonathan Bolton
