Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	strongly object to these houses being built the traffic in the morning is horrendous just to take my daughter to school with these houses being built it will only make things worse let alone trying to get a gp appointment. The infrastructure is purely not there to support all these home being built, and with the destruction of the green belt land. I can't object to this any stronger.

Kind regards
