Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I object to this application for the following reasons:</p> <ul style="list-style-type: none"><li>- this is green belt land used for much needed food production</li><li>- the parade of shops opposite the site is already causing a danger to traffic and pedestrians due to being on a bend on a very busy road and due to cars parking in the locality especially during school/nursery drop off/pick up times. An additional potential 700 cars+ would greatly increase the risk of accidents.</li><li>- the A227 is an extremely busy road due to its joining the A2&amp;M20, many large vehicles thunder through the village as it is.</li><li>- Visitors and residents come to the village because they enjoy the countryside and find it crucial for their mental health as they need the open space.</li><li>- The adjacent conservation area would be visually impacted</li></ul>

Kind regards
