Reasons for comment:

Comments:	<p>I object to this planning application for the following reasons:</p> <ul style="list-style-type: none">- this is a very fast moving road (50mph) constantly used by heavy vehicles going to the weigh bridge at Green Street Green and the site would be dangerous to access with potentially 240 further cars + delivery & service vehicles. Even more so during school drop off/pick up times- the vulnerable pupils at the adjoining SEN school have very complex needs and require a calm, quiet environment for their mental health needs- the land is prime agricultural farmland which contributes to food production.- this development would spoil the character of the village and cause distress to visitors and villages who require space and minimal noise/light pollution for their mental health needs
