Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	That this application might be approved is in obvious breach of environmental impact criteria. The travellers have illegally cut down trees along the road and sited vehicles on the site prior to approval. This is a narrow lane through a residential area, with a junction into a large residential community at Sallows Shaw. I strongly object to this being authorised retrospectively.

Kind regards
