## Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>Access to this site is from narrow local roads that are already very busy and will be busier following completion of the LTC. The village does not have the infrastructure to support large scale house building - schools, shops, education establishments are already over subscribed.</p> <p>I understand that this is green belt land and should therefore remain so. This is prime agricultural land that is needed to provide food. Use current brownfield sites for development rather than limit the food production capabilities of the country.</p> <p>Such a drastic, sudden increase in the number of houses in the village will only be detrimental to the balance of Meopham.</p>

Kind regards
