Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I object to this application as this is Green belt land that has not been released from the GB boundary.It is high grade farmland that is constantly used for for crops and therefore contributes to food production.</p> <p>The planned access is a serious Concern as it is a dangerous access onto a rural lane.</p> <p>The infrastructure and local services cannot support additional homes on this scale.</p>

Kind regards
