## Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>As a neighbour who would be severely impacted by this development I would like to confirm my objection on the following points</p> <p>1 A development of this size can not effectively be supported by the local infrastructure of GP, Schools etc</p> <p>2 ThiS is Green belt high grade farmland that consistently contributes to valuable food production.</p> <p>3.The intended access is sited in a very dangerous position with access to a rural lane.</p> <p>4 A227 is struggling to manage current levels of traffic without additional heavy traffic this development would bring. Cars are necessary for all residents as public transport is extremely limited.</p>

Kind regards
