Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I am writing to object to the proposed plans for a garage to go on the car park for the village shop. The proposed building will not be in keeping for the village and the scale and height are going to affected the natural light coming into our property, and not to say the view will be ugly. The design and size are very large and why can this not be put in the back garden of the property it is lagged enough to take it

Kind regards
