Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I am writing to object to the proposed plans for a garage to go on the car park for the village shop. What are the dimensions the new build is not inkeeping with the village also were are the shop to put there bins and parking for the community runs store. Why is it not located round the back in large garden they have and no one will see it

Kind regards
