Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	We strongly support this application who is planning to live with his son and also carrying out the building work. We like the alterations that are planned to be carried out and think the new look would be an asset to the close that we live in, baring in mind all the properties are of different design. and we would also love

Kind regards
