Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I would like to object due to the many problems we have with the roads, it is quite obvious to anyone that uses the roads how difficult it is to get anyway with the amount of traffic and how narrow the roads are even the A227 That is not to mention the flooding which we are all experiencing These are not safe roads there have been many accidents some have lost there lives Coming out of heron hill to join the A227 is dangerous and with it being opposite chapmans hill makes thing even more unsafe

Kind regards
