Reasons for comment:

Comments:	<p>I object to proposed development for reasons including:</p> <p>Loss of green space / valuable farm land when there are numerous brownfield sites in the borough to be developed. This included areas in the town centre of Gravesend and large areas of former industrial land in Ebbsfleet with much better transport links and proximity to services within Gravesend.</p> <p>Additional traffic on A227 should be avoided at all costs as present congestion will worsen with new Thames crossing construction.</p> <p>Impact on Meopham as a rural community will be highly detrimental.</p> <p>Envisaged new residents are unlikely to appreciate lack of local services, inadequate roads, difficulty in securing school places in local schools, reliance on car usage.</p>
