Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Absolutely not! This plan is not in keeping with the local village and there is no local precedence for this misuse of land currently occupied by one dwelling. If permission were given it would be awful for neighbouring residents and a wider effect on road users. 3 property does not come with just 3 cars. Property's often come with multiple vehicles as well as delivery vehicles, and work vehicles. Please, please, please, do not allow this application to go through.

Kind regards
