Dear Kelly

**Application 20211161: Barn At, Oaklands, Leywood Road, Meopham Gravesend**

**External and internal works to facilitate the conversion of the agricultural building to a guest house.**

Thank you for consulting the AONB Unit on the above application. The following comments are from the Kent Downs AONB Unit and as such are at an officer level and do not necessarily represent the comments of the whole AONB partnership. The legal context of our response and list of AONB guidance is set out as Appendix 1 below.

We note that a Lawful Development Certificate for Change of Use to a guest house has been Granted for the barn and that it has been determined that Prior Approval is not required for the use of the building as a Guest House under Use Class C1.

We raise an initial concern that the plans submitted under the current application appear to show the proposed change of use of the building to a self-contained holiday let unit, not a Guest House. It is our understanding that holiday lets are regarded to fall within Use Class C3 or occasionally Su1 Generis, but not Use Class C1. As such we would query whether the proposed works fall within the remit of the Lawful Development Certificate. We would also point out that as the site lies within an AONB (Article 2(3) land), usual permitted development rights under Part Q of the GPDO for change of use of an agricultural building to Class C3 are not applicable.

The existing building is of poor quality in architectural terms. Being of relatively recent construction and sited in an isolated location, it does not function as part of an historic rural land use, collection of other buildings or traditional farmstead and fails to make a positive contribution to the character of this part of the Kent Downs landscape. The proposed works would increase both the permanence of the building as well as introduce a new dwelling in an isolated location that would fail to be consistent with traditional settlement pattern in this locality and as such would not, in our view, either conserve or enhance the Kent Downs AONB.

**Enhancing landscapes and life in the Kent Downs**

The Kent Downs AONB Joint Advisory Committee (JAC) promotes and co-ordinates the conservation and enhancement of the Kent Downs AONB. Funding is provided by DEFRA, Kent County Council and the local authorities of Ashford, Bromley, Canterbury, Dover, Gravesham, Medway, Maidstone, Sevenoaks, Shepway, Swale and Tonbridge & Malling. Other organisations represented on the JAC include Natural England, the Environment Agency, Country Land and Business Association, National Farmers Union, Kent Association of Parish Councils and Action with Communities in Rural Kent.

However, should the Council be satisfied that the works are consistent with the Lawful Development Certificate and/or the principle is acceptable, we are of the view that the proposed use of timber cladding, timber soffits and retention of the metal roof is an appropriate design response to the site's rural setting.

I hope this is of assistance to you. I would be happy to discuss further if this would be helpful.

Yours sincerely

Katie Miller  
Planning Manager, Kent Downs AONB Unit

#### Enhancing landscapes and life in the Kent Downs

The Kent Downs AONB Joint Advisory Committee (JAC) promotes and co-ordinates the conservation and enhancement of the Kent Downs AONB. Funding is provided by DEFRA, Kent County Council and the local authorities of Ashford, Bromley, Canterbury, Dover, Gravesham, Medway, Maidstone, Sevenoaks, Shepway, Swale and Tonbridge & Malling. Other organisations represented on the JAC include Natural England, the Environment Agency, Country Land and Business Association, National Farmers Union, Kent Association of Parish Councils and Action with Communities in Rural Kent.

## **APPENDIX 1**

### **Planning consultations with the Kent Downs AONB Unit**

#### **Background and context:**

The Kent Downs Area of Outstanding Natural Beauty partnership (which includes all the local authorities within the AONB) has agreed to have a limited land use planning role. In summary this is to:

- Provide design guidance in partnership with the Local Authorities represented in the AONB.
- Comment on forward/strategic planning issues-for instance Local Development Frameworks.
- Be involved in development management (planning applications) in exceptional circumstances only, for example in terms of scale and precedence.
- Provide informal planning advice/comments on development control (planning applications) at the request of a Kent Downs AONB Joint Advisory member and /or Local Authority Planning Officer.

#### **The Countryside and Rights of Way Act 2000**

The primary legislation relating to AONBs is set out in the Countryside and Rights of Way Act 2000. Section 85 of this Act requires that in exercising any functions in relation to land in an AONB, or so as to affect land in an AONB, relevant authorities, which includes local authorities, shall have regard to the purpose of conserving and enhancing the natural beauty of the AONB. This is known as the 'Duty of Regard'. The Duty of Regard can be demonstrated by testing proposals against the policies set out in the Kent Downs AONB Management Plan and its supporting guidance (see below).

#### **Relationship of the AONB Management Plan and Development Management**

The CRoW Act requires that a management plan is produced for each AONB, and accordingly the first Kent Downs AONB Management Plan was published in April 2004. The second revision Management Plan (20014-2019) has been formally adopted by all the local authorities of the Kent Downs. The Management Plan may be viewed on the Kent Downs web site. Please let us know if you would like any hard copies.

<https://s3-eu-west-1.amazonaws.com/explore-kent-bucket/uploads/sites/7/2018/04/18113849/KDAONB-Management-Plan.pdf>

Under the CRoW Act, the Management Plan is required to 'formulate the (Local Authority) policies for the management of the AONB and for carrying out their functions in relation to it'. The policies of the Kent Downs AONB Management Plan are therefore the adopted policies of all the Local Authorities in the Kent Downs.

The national Planning Policy Guidance confirms that AONB Management Plans can be a material consideration in planning decisions and this view is confirmed in previous appeal decisions, including APP/U2235/W/15/3131945, Land west of Ham Lane, Lenham, Maidstone, where at para 48 of the Inspectorate's decision letter, it is confirmed that "the Kent Downs

## **Other Kent Downs AONB Guidance**

### [Kent Downs Landscape Design Handbook](#)

Design guidance based on the 13 landscape character areas in the Kent Downs. Guidance is provided on fencing, hedges, planting, gateways etc. to help the conservation and enhancement of the AONB.

### [Kent Downs Renewable Energy Position Statement](#)

Provides a clearly articulated position for the Kent Downs AONB partnership with regards to renewable energy technologies. It recognises that each Local Planning Authority must balance the impact of proposals for renewables on the AONB with all the other material planning considerations.

### [Kent Rural Advice Service Farm Diversification Toolkit](#)

Guidance on taking an integrated whole farm approach to farm developments leading to sound diversification projects that benefit the Kent Downs.

### [Kent Downs Land Manager's Pack](#)

Detailed guidance on practical land management from how to plant a hedge to creating ponds and enhancing chalk grassland.

### [Rural Streets and Lanes - A Design Handbook](#)

Guidance on the management and design of rural lanes and streets that takes the unique character of the Kent Downs into account. This document discusses the principle of shared space and uses examples from around the UK and Europe. The Handbook has been adopted by Kent County Council as policy.

### [Managing Land for Horses](#)

A guide to good practice on equine development in the Kent Downs, including grassland management, fencing, trees and hedges, waste management and basic planning information.

### [Kent Farmstead Guidance and Kent Downs Farmstead Guidance](#)

Guidance on the conservation, enhancement and development change of heritage farmsteads in the Kent Downs based on English Heritage's Kent and National Character Area Farmstead Statements. Includes an Assessment method and Design Guidance.

### [Kent Downs Setting Position Statement](#)

An advisory document providing guidance on issues of setting including the legislative basis for considering setting, identification of where setting is likely to be an issue and provision of advice on how to mitigate potential impacts.

## The NPPF and AONBs

National planning policies are very clear that the highest priority should be given to the conservation and enhancement of Areas of Outstanding Natural Beauty. The NPPF confirms that AONBs are equivalent to National Parks in terms of their landscape quality, scenic beauty and their planning status.

Paragraph 176 of the revised NPPF specifies that 'great weight should be given to conserving and enhancing landscape and scenic beauty in National Parks, the Broads and Areas of Outstanding Natural Beauty, which have the highest status of protection in relation to these issues.' It is advised that the scale and extent of development within AONBs should be limited and at paragraph 177 that major developments should be refused in AONBs except in exceptional circumstances and where it can be demonstrated that they are in the public interest. No definition is given as to what constitutes major development within an AONB, however a footnote to this paragraph states that this is 'a matter for the relevant decision taker, taking into account its nature, scale and setting, and whether it could have a significant adverse impact on the purposes for which the area has been designated or defined'.

The thrust of the NPPF as set out in paragraph 11 is that there is a presumption in favour of sustainable development. It specifies that in respect of decision taking, proposals that are in accordance with an up to date development plan should be granted, however where there are no relevant development plan policies, or policies are out of date, permission should be granted unless the application of specific policies in the Framework that protect areas of particular importance provide a clear reason for refusing the development. Footnote 6 to this paragraph specifies that such policies include those relating to AONBs. A Court of Appeal case in June 2017<sup>1</sup> clarified that identification of policies indicated in Footnote 7 (previously footnote 9 to paragraph 14 of the 2012 NPPF), does not shut out the presumption in favour, rather the specific policy or policies have to be applied and planning judgment exercised. In the case of AONBs, this would mean an assessment of the acceptability of the proposal against paragraph 176 of the NPPF.
