Reasons for comment:

Comments: Thanks for your letter about changing the use of 73 Beaumont Drive from a residential property to a children's home, which I strongly object to.

Firstly, the house is currently being used to house vulnerable people and there are carers coming to and from the house on a regular basis. There are ambulances coming to and from the house regularly. This is causing us a great deal of distress and disturbance. As such, the property is being used to house vulnerable people (i.e. for commercial purposes) and changes to the property have already been made.

Changing the property into a commercial property will cause us even more distress and disturbance. Beaumont Drive is not built for commercial purposes and it will cause chaos if children are dropped off and picked up on a regular basis.

I have lived on Beaumont Drive for 38 years and since the property has changed to house vulnerable people, life has been very difficult. I am worried that living on Beaumont Drive will become even more difficult if 73 Beaumont Drive were to house children for commercial purposes.

Kind regards
