Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this application as already there are several illegal caravans residing on this land . They totally ruined the woodland, cutting down old trees to enable them to put yet another illegal mobile home in there . I ask that all existing homes are removed from this site and cannot believe it was accepted for consideration when there is an injunction order already in place on this land.

Kind regards
